

## MSVC September Meeting Results — SCORE – Rules – Step-Up – Hall of Fame

The Mahoning Valley Chapter of the Military Officers Association of American met on Thursday, September 27, 2018 at the Youngstown Air Reserve Station in Vienna for a special Business Meeting and to hear guest speaker, Janet Moy, president of SCORE Youngstown Chapter. SCORE, an acronym for Service Corps of Retired Executives, is a non-profit association affiliated with the U.S. Small Business Association whose mission is to “Foster vibrant small business communities through mentoring and education.” It is a volunteer organization that provides free assistance to aspiring entrepreneurs and business owners. The Youngstown Chapter of SCORE became one of the first chapters in the nation in 1964 when the Dean of the Business College formed a Chapter at Youngstown State University. Presently the chapter has approximately 30 volunteers that provide assistance, advice, and mentoring in almost all aspects of small business operations such as accounting, marketing, and business planning. There are now approximately 300 chapters across the country with over 10,000 volunteers that have assisted close to 140,000 small business owners in the past year. One unique aspect of the assistance that can be provided is that if a local chapter volunteer can't be found to assist a business owner, the SCORE website can go anywhere in the country for help to an individual or small business. Over 50% of the working population is employed by small businesses, which is defined as having fewer than 500 employees.

Janet presented some interesting statistics: There are over 28 million small businesses in the US and over 22 million are self-employed. Over 500,000 new businesses get started **each month** and over 50% of those are home-based. Approximately 75% of all U.S. businesses are non-employer businesses. Of the non-employer businesses, 25% have annual revenue of less than \$5,000, while 65% have revenue less than \$25,000.

Janet has been with SCORE since 1987. Her areas of specialty include musical event planning, e-commerce, social media marketing, content marketing, business planning, and non-profits. She graduated from Youngstown State University and received a Master's Degree from Case Western Reserve in Library and Information Science. Among the interesting stories she presented to our members was of her own parents emigrating to the United States and because of the freedom and opportunities this country provided to hard working individuals and families, they

were able to prosper. So thankful was Janet's mother for the opportunities in this country that she wanted to help others succeed and thus became a member of Youngstown SCORE, became its president, and stayed with the organization until she was 90.

Following Janet Moy's presentation, she was given the MSVC-MOAA flag set by 1<sup>st</sup> Vice President, COL John Koshan. A short business meeting thereafter was held to approve the new Constitution and By-Laws of the Mahoning and Shenango Valleys Chapter. Motions were made by Dennis Gartland and Don Rasile to approve the Constitution and By-Laws – motion passed unanimously.

The other business matter was to ratify the MSVC nominations for Board of Directors for 2019. With the new Constitution and By-Laws expanding the number of Board Members at Large to six, CPT Ralph DeLucia, CDR David DiTallo, and LTC Larry Scheetz graciously stepped up to fill the void. Motions to accept the full slate of Officers and Board of Directors was made and seconded. Motion passed unanimously.

On a final note, COL Koshan extended congratulations to Judge Robert Milich, Lt Col, USAF, Ret. on being selected to the Ohio Veterans Hall of Fame. It is indeed an honor to have such a distinguished veteran as a member of our Chapter. Kudos to Rod Hostler for submitting an extensive and exhaustive application and biographical resume on behalf of Judge Milich. His bio can be read at the Ohio Veterans Hall of Fame web site. <http://dvs.ohio.gov/main/veterans-hall-of-fame-honorees-class.html> The award will be presented to Judge Milich on November 8<sup>th</sup> in Columbus. At least two other Ohio MOAA members will join Judge Milich, Fredrick Pumroy from Dayton Chapter and Joseph Machado of Central Ohio chapter.

Congratulations to Janet Oglesby for winning the 50/50 raffle. The Chapter's next meeting will be a LUNCHEON MEETING on October 19th at 1300 hrs. This will be the annual business meeting and election of officers. Guest speaker will be Melissa Wise, Survivor Outreach Services of Ohio National Guard Family Readiness Warrior Support.

**TRICARE’s Retiree Dental Program will end on December 31.** This information is predominantly for military retirees. TRICARE’s Retiree Dental Program (TRDP) will cease coverage on December 31. You will not be automatically enrolled in a new dental plan. However, if you were covered under TRDP, you are eligible to enroll in dental coverage through the Federal Employees Dental and Vision Insurance Program (FEDVIP). If you have TRDP and wish to maintain dental coverage in 2019.

You must take-action during a four-week “Open Season” window from **November 12 to December 10**, to enroll in the dental plan that will meet your needs in 2019. Are you ready for Open Season? Retirees and their families who are currently covered by a TRICARE health plan are eligible to enroll in vision coverage through FEDVIP. Visit [www.tricare.benefeds.com](http://www.tricare.benefeds.com) to explore your options for selecting dental and vision plans. MOAA recommends you start researching the numerous options for dental and vision plans you can enroll in now for the Open Season. Do not miss this opportunity to start deciding what will benefit you in 2019! The BENEFEDS website is easy to navigate and provides a plethora of information on each plan.

On the home page (pic 1.) you will see **2019 FEDVIP plans and premiums are available.** Blue box **Compare Rates Now.** On the second page (pic 2.) **What’s Covered** you’ll have access to the **FEDVIP Plan Comparison Tool** in the blue box. The third page (pic 3), enter your zip code (yes, just like TRDP—where you live determines premium structure), and how frequently you intend to make payments. Search Plans in the Blue Box. The next screen will show you **all the Available Plans** (pic 4) You’ll find quite a disparity in premiums! Well, you’re not done. Each plan has a “Details” link that will take you the insurance company web page where you can find the fine print.

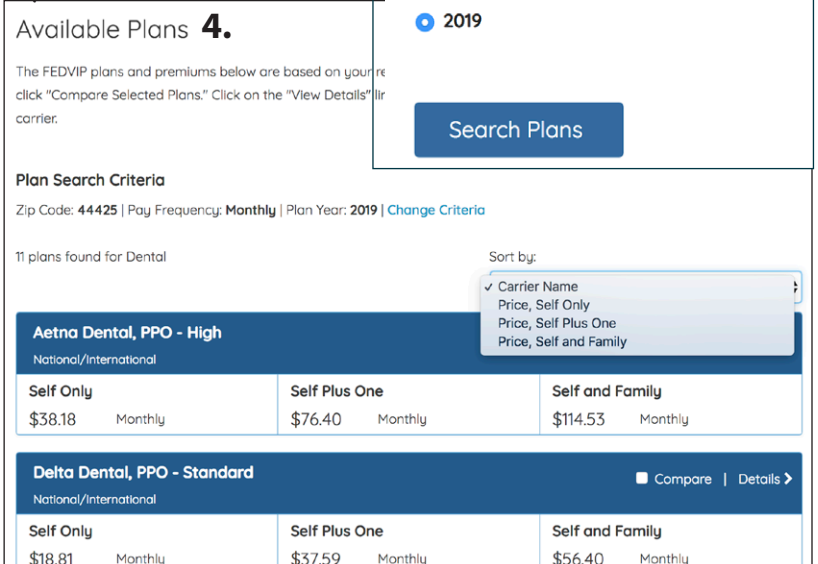

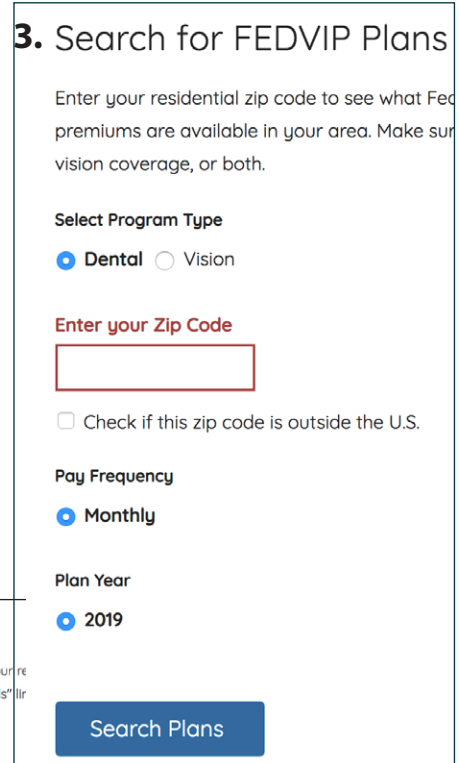

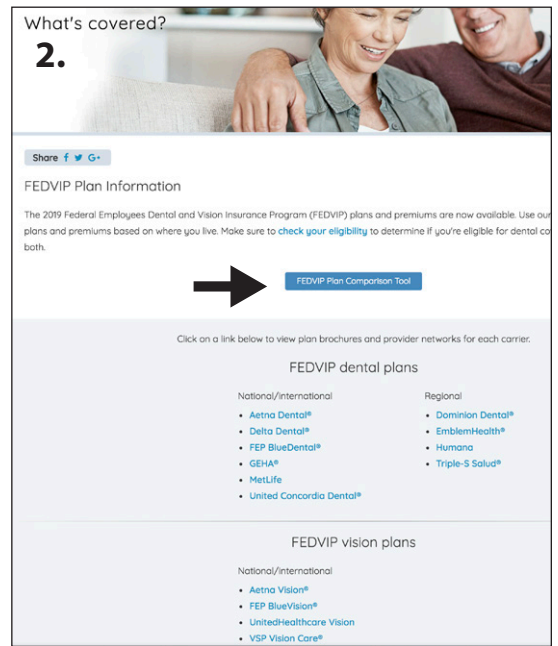

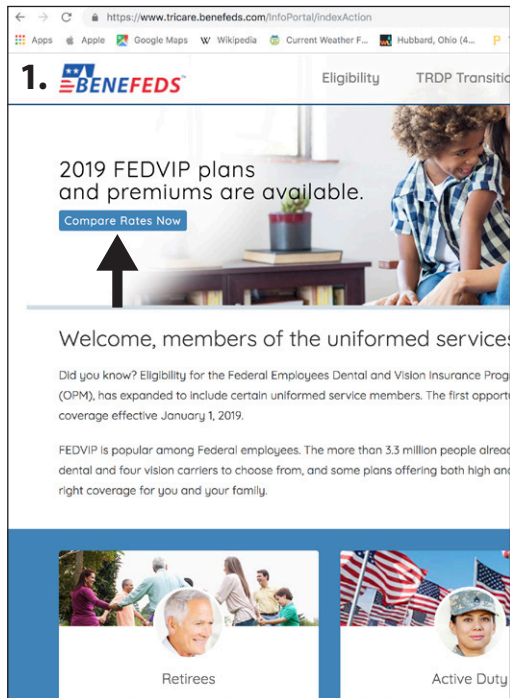

Here is the timetable to keep in mind:

Right now: 2018 insurance policies and rates for federal workers are available to review just for information purposes. Go to [www.tricare.benefeds.com](http://www.tricare.benefeds.com).

October 2018: 2019 rates will be available at the website.

November 12–December 10, 2018: Open enrollment period.

If you miss this window and you will not be eligible for federal dental and/or vision insurance in 2019.

## Legislative Issues Continue from page 3

The mid-term elections will take place on 6 November, and the results of the election will impact America's military (active, reserve components, retired and spouses). A new Congress means we may have to begin all over again to fight for those benefits that military members and spouses have earned Congress will chip away at our benefits to pay for other programs at the sacrifice of the military. Listed below are several concerns that need to be watched:

**End the Widows Tax.** Current federal law requires survivors of deceased military members to forfeit part or all of their Survivor Benefit Plan (SBP) annuity when they are awarded VA Dependency and Indemnity Compensation (DIC). This loss of any portion of the SBP annuity is known as the "widows tax."

**Compensation Reform. Be Cautious with Compensation Reform.** In a 2015 report, the Military Compensation and Modernization Commission noted modernization might benefit individual compensation programs, but "the overall structure of the current compensation system is fundamentally sound and does not require sweeping overhaul." The commission also recommended keeping the basic pay table in its current form and continuing the basic allowances for housing and subsistence (BAH and BAS).

**Support full concurrent receipt for disabled military retirees.**

**End the pay reduction for medical retirees.** Ending the deduction of service-earned retirement pay to offset VA disability compensation for those servicemembers whose service-connected, non-combat related disability retirement under Chapter 61, 10 U.S.C. precluded them from serving at least 20 years.

**Military pay and benefits matter.** Sustain military pay increases comparable to the growth in civilian sector wages and salaries.

**Say NO to new fees for TRICARE for Life.** Adding new fees will degrade the TFL benefit, which was put in place to reflect the sacrifice of a career of service. Contact your member of Congress to ask that he or she honor the commitment made to those who selflessly served our nation. Say NO to new fees for TRICARE for Life.

### Key Bills

**Federal - S 66:** A bill to amend title 10, United States Code (USC), to permit certain retired members of the uniformed services who have a service-connected disability to receive both disability compensation from the Department of Veterans Affairs for their disability and either retired pay by reason of their years of military service or Combat-Related Special Compensation, and for other purposes. Needs our support.

**Federal - S 143:** A bill to amend the Internal Revenue Code of 1986 to allow a credit against income tax for amounts paid by a spouse of a member of the Armed Forces for a new State license or certification required by reason of a permanent change in the duty station of such member to another State. Needs our support.

**Federal - S 339:** A bill to amend title 10, USC, to repeal the requirement for reduction of survivor annuities under the Survivor Benefit Plan by veterans' dependency and indemnity compensation, and for other purposes. Needs our support.

**Federal - HR 303:** A bill to amend title 10, USC, to permit additional retired members of the Armed Forces who have a service-connected disability to receive both disability compensation from the Department of Veterans Affairs for their disability and either retired pay by reason of their years of military service or combat-related special compensation. Needs our support.

**Federal - HR 333:** A bill to amend title 10, USC, to permit retired members of the Armed Forces who have a service-connected disability rated less than 50 percent to receive concurrent payment of both retired pay and veterans' disability compensation, to extend eligibility for concurrent receipt to chapter 61 disability retirees with less than 20 years of service, and for other purposes.

What do you do. . .

**When a Apache Helicopter is Over Your House?**

What do you do when an Apache helicopter is hovering over your house? You whip out your cell phone and start taking pictures of your son. CW2 Steven Wisniewski, son of Mike and Barb Wisniewski flew his AH-64 Apache helicopter OVER their house on his way to JRTC (Joint Readiness Training Center) in Fort Polk, Louisiana from Fort Drum, New York on Augusts 20<sup>th</sup>. He flew with a formation of four aircraft, landed in Jamestown for refueling. Then deviated slightly south of their intended course to fly over the YARS and then over the house. He was 300 feet above ground traveling at 110 knots. It made Mike's & Barb's day, not sure about the neighbors.
